

Rt. 51

After you pass Divito Park and a few small buildings, the road will split. Take the upper road. The road which veers to the left goes to West Leisenring. It is an open area and you will notice that traffic coming from West Leisenring must stop at the stop sign. The church is 1 mile on the right on the upper road.

From the traffic light on Rt. 119 to the Y in the road is about 4 miles.
