

The New Design of Redstone Presbytery

Simple, Agile, Focused, and Friendly

We have been released from the law so that we serve in the new way of the Spirit, and not in the old way of the written code.

Romans 7:6

No vision of God's calling or activity in our world is fixed and unchanging, stagnant and lifeless. And so, Redstone Presbytery is changing the way it works! In order to better serve the churches of the Presbytery, Redstone has redesigned its offices and redefined mission.

To make presbytery more efficient and responsive to the needs of churches in today's world and reduce the burden on church leaders, Redstone has:

- Eliminated 13 of 19 standing committees.
- Cut by almost 2/3 the number of committee members.
- Re-organized the staffing budget of presbytery to be more responsive to churches' mission and Christian education needs.

Redstone believes presbytery should:

- Be a support and resource for vital, mission-oriented congregations.
- Undertake mission projects which can most effectively be carried out only by a middle governing body *and* enable local churches to identify, organize, and carry out their own mission projects.
- Carry out the duties of a presbytery as mandated by the *Book of Order*.

The New Mission of Redstone Presbytery:

***Communicate the Word
Carry on the Work
Change the World
Together***
