

## **Procedures for Manual Changes:**

The manual is being presented at the September Presbytery meeting for First Reading. There will be an opportunity to ask questions.

If there are proposed changes that presbyters would like to make, please submit them, and the rationale for the change, in writing to the Stated Clerk.

All proposed changes will be referred to the Council for their review. Council will report back all proposed changes that they have received to the floor at the November meeting with a recommendation to concur or not-concur with the change.

Presbyters may still at the November meeting propose changes. All proposals will require a 2/3<sup>rd</sup> vote for adoption.

If there are editorial changes that do not change the meaning or intent of the section, we will make those without returning those to the floor.
